Planning Workplace Health & Wellness Training?

Need Experts/ Speakers?

Making Connecting Easy!

Resources From Free to Fee

Workplace Training Options

BOOK SPEAKERS: DIY Service (Do it Yourself)

A service for health/wellness leaders who want immediate access to screen and book speakers (experts/ trainers/ coaches/ and consultants). If you are planning training for your employees, or an inspirational event and want to screen options on your own WSN has a DIY option for you! This service is used most frequently by companies who set up monthly training events, and/or lunch and learns. **Request Our Free Guide to Screen/Hire Speakers!**

BOOK SPEAKERS: WSN Booking Service

This service is designed for companies or organizations that prefer to have resources screened on their behalf. You simply fill in the form with the details of your request, including time, location, and budget and we go to work to find you a speaker to match your needs on time and on budget.

BECOME A SPEAKER: Health/Wellness Expert

Do you wish to share your expertise/ training as an Occupational Health/ Wellness Professional with workplaces and conferences? Join our network as a speaker/ training professional. You post your profile, speaking topics and get noticed in the workplace training community. Add a course to WSN Workplace U to share your knowledge and passion.

BECOME A SPEAKER: CEO/ Executive Leaders

Does your CEO or executive team members wish to increase their public profile or share their expertise and knowledge as a speaker? We offer a service to help leaders add credibility to their public image so people can book them to speak at corporate and non-profit events. Increase business by increasing your profile.

COMING FALL 2013: WSN Workplace U

We are getting requests to not only offer live on site training, but online, and prerecorded training for companies. Launching Fall 2013, WSN will have another great way to serve your training needs.

WSN is proud to be associated with:

Meetings & Conventions Calgary , EDAC, EDA, CAPS, HRIA, E-WOMEN, Calgary Women in Energy, CAOSA, Calgary Chamber, & International Executive Association

SHARE WSN WITH YOUR TEAM

In our research we discovered many people within a company plan workplace training. Planning comes from many leaders including: occupational health/wellness leaders, HR department, sales/ marketing, managers and executive teams. We want to make sure your entire team has access to training options. When you access WSN, we will work with you to find out who else we need to touch base with.

POST A REQUEST

Have an immediate need for a speaker or training professional? When you join WSN, you can post requests on WSN and we share it in our community.

EVENT/ TRAINING CALENDAR: Planning Service

Not enough time to get it all done? Contact WSN to get professional support to plan your next event or plan your workplace employee training calendar. Many hands make light work.

CATEGORIES: Topics Trending

WSN provides leading edge experts in a wide range of industries to serve your audience. You can choose speakers via topic search (nutrition, diet and exercise, mental health, first aide, employee engagement, employee retention, inspiration, multigenerational workplace, motivation, leadership and strategic planning, and much more) or by their name.

Our speakers are:

- CEO's
- Elite Speakers
- Coaches
- Consultants
- Health/ Wellness Professionals
- Research Experts and more.
